

# just...fair trade

brings you a new kind of event

## JUST A **TASTER**

### Food and drink tasting

Can you tell the difference between different coffee & teas and which do you prefer? Try exotic jams and chutneys. Sample snacks, home baked cakes and biscuits and get recipes and ingredients so you can make them at home.

### Mini makeovers

Showing how you can breath fresh life into your existing clothes by clever accessorising using beautiful Fairtrade scarves, bags and jewellery. Not only an inexpensive way to shop but also more environmentally aware and sustainable.

**Market place** that will satisfy everyone's fair trade shopping urges.

### Live music & lively chat
